The President's Corner

May, well it is almost the half way point in top scores for the year!!

By the time you read this, our Show and Go will be a memory. A Show and Go is so rewarding for our newer students and seasoned exhibitors. If you 'seasoned' members can give a word of encouragement to our novice folks, please do.

Again, volunteerism is essential not only to the Show and Go's but our up-coming June trial. The chief ring steward will insure you have time to warm your dog up – BUT – this can only happen if we have enough volunteers. PLEASE see Ginger.

A gentle reminder - we have two areas in need of leadership; Training Director or overseer since several duties have now been dispersed to others willing to take on additional tasks.

There will be a Board Meeting prior to our May meeting. If you have something you would like the Board to address, please let me know . BJ Arnold

Front & Finish®

2018 Rally Combined Rating System

Compiled by Dave Pluth

The Front & Finish® Rally Rating Systems purport that teams placing in each class are the best performers and as such comparisons of teams should include these participants. This system ranks dogs placing first through fourth in AKC all breed Rally Advanced and Excellent classes. Novice class dogs are not included in this report but are ranked separately in the Front & Finish® Rally Novice Ratings.

Among teams that place, one point is earned for each dog defeated in a given class. For example in a class of twenty competing teams the first place winner would earn 19 points as it defeated this number of other dogs. The team in second place would receive 18 points, the third place team would earn 17 points, and the fourth place team would earn 16 points. After points in each class are determined they are compiled across a given competition year.

Ratings published by Front & Finish® list the top ten dogs ranking highest across all breeds (Top Ten All Breed), the top ten dogs ranking highest within their respective groups (Top Ten By Group), and the top ten dogs ranking highest by breed (Top Ten By Breed). Dogs must earn a minimum of four points in a given year to be listed and all ties for a given position are reported. Dogs are listed with the recognized AKC titles they received during the competition year and they may not reflect a dog's current titles at the time of publication. Mixed breeds don't include any breakdowns by breed since all dogs fall into one group and are already listed there.
