The President's Gavel

Greetings members!!

First, I wish to give a HUGE thank you to everyone who helped in any way with our June trial. It was a great success and everything ran smoothly. There was a lot of work from a lot of people and I cannot thank everyone enough.

Things are getting closer to normal once again. I will soon be doing another poll of the club to see where we stand on getting back to face to face meetings. We have some positions open in the club that need to be filled. We need a building manager and a hospitality chairman for upcoming trials. If anyone is interested in helping out the club, please volunteer.

Tim Cutshall

TRAINING DIRECTOR UPDATE

All classes were filled for this summer session. Classes will conclude the week of July 13. Our next session will begin August 9th.

During this session – Summer II, an Intermediate Obedience Class will be offered on Wednesday 1:15. This will be a 'pilot' class leading into an Advanced Obedience class. Enrollment in the Intermediate class will be with instructor's permission.

The Summer II class schedule will be going out shortly. I understand there is a waiting list for Beginning Obedience and for Puppy Class.

There will be a Trainers Meeting on Thursday July 15, 6:30 at the building. This meeting is open to present trainers and those interested in training. We could have an additional Beginning Obedience class on Wednesday 7:45, but in need of a trainer and assistant. If you would like to volunteer, please contact me or come to the meeting. The Instructor Manual and Homework materials are available for you.

BJ Arnold

_Dear members,

Thanks to all who stewarded for our trial. Without our dedicated volunteers there would not be dog shows. The judges were very complimentary about our wonderful stewards. You are the best!!
