## The President's Corner

### President's Gavel

As you read this, I hope you all have recovered from an absolutely wonderful trial. There are so many people to thank, I will not even try to list them, but you who worked so very hard know who you are and a heartfelt thank you for your work.

I had the opportunity to speak to the judges and they were so very appreciative of our hospitality and organization. Stewards kept things moving along and with an AKC representative on site, this is important. I also had the chance to speak to several exhibitors who entered for the first time. They appreciated the attentiveness of our club members offering help, answering questions and being very positive.

For many of you who have worked multiple days, you know how tired we can become. We come early, work hard, sometime run multiple dogs in multiple events and then stay late to clean up and prepare for another day. It is then that miscommunication happens and emotions arise. Please forgive and be aware of the fact we are all human, sometimes speaking or acting in a way that hurts others.

All in all, it was a great show – and did you get a load of those “College Hunks”? If you were not present for set-up and take down, these were the guys who rolled out those extremely heavy mats. They were awesome and prevented many of us having a sore back!!!

### **SCHEDULED PROGRAMS FOR FUTURE CLUB MEETINGS**

July 18 - 6:00PM - Donna Clifford and Christine Carter will conduct a Question and Answer session from a vet tech perspective.

## September Program

Kathy Schreck has arranged for Dr. Surtin, an animal chiropractor, to be at our meeting on September 20, 2018 at 6:00 PM. He want to give 5 or 6 dogs a free treatment.

Also from Kathy:

There is a bill in Jeff City regarding animal chiropractor's. Passage of the bill will prohibit chiropractors treating an animal without a vet on site. (Yes, some chiropractors are vets, but some are not).

It would be near impossible for this to happen, as some Vets recommend a chiropractor and most will not take the time to do this. Then the cost if they do, would be passed on to patient. There is a Vet who is a Senator in Jeff City now, who is pushing this,

I have watched bills in Jeff City go "through the system" during my 25+ yrs as a Neighborhood Watch Coordinator. As with this bill, not many Senators are aware of this bill, which will make it easier to pass. Sometimes with a bill like this, that not many know about, they will tack it on to a bill they are sure will pass, then this gets passed too. Another thing to remember, this is election year, our elected officials tend to work a little harder to get our votes.

We really need many in our club to write to their Senator and not let this bill pass. (Make sure you say a Vet does not need to be on site). Tyler, Georgi and Buddy have all been treated by a chiropractor, and they would not have had the long life without their treatment. They did not have to be put on drugs either.

Thank you!  
Kathy Schreck

### **JUDGE'S RESPONSES TO A THANK YOU NOTE FROM TIM**

I just want to thank you again for a fabulous weekend. This was one of the best judging assignments that I have had the pleasure to have. The panel was superb, the Club members were great as well as the exhibitors. Congratulations on a very well run event!

Rick Cox

AKC Obedience and Rally Judge

---

It was my pleasure! Please know that Loretta took great care of us judges and the dinner at her house before I had to fly out (later flight) was so good. A gem you have in her, and also in all the folks at your club. The stewards were amazing,

And when I came in on Sunday with a migraine, they made sure they took care of everything (didn't want me leaning over the signs even!) Thank YOU.

Debra Schneider

---

You beat me to the punch with your very nice email. Thank you.

I almost never write to a club, but was planning on writing tonight, after dinner. In so many ways the trials this weekend were the best I have ever judged. It started with the club to include yourself and Loretta Kirsher keeping me informed as to what had been planned and all the details that a judge needs prior to arriving at the trial. Loretta met me at the airport, on a hot day, with a fresh glass of ice water. This and every thing else for the weekend was first class. The motel was great, transportation to and from the event was as good as I ever could have expected.

The trial itself started off with great, really great, stewards. Every day they were as good as I have ever had. They made everything easier for me and nicer for the exhibitors. Ribbons were at ringside prior to judging, which really seldom happens. The trial secretary was efficient yet pleasant to work with.

The dinners were great, as were the lunches, especially the deserts. Every club member that I had the pleasure of meeting was pleasant and enjoyable to talk to. Loretta was on top of everything for the judges, and took care of all the details that make things more pleasant for the judges.

By far this was the best run, most pleasant weekend of judging I have had. Plus the dogs and handlers were great. Thank you for inviting me to judge.

Bob Squires

I would like to thank all members who stewarded for our trial. The judges raved about how well each of you performed your duties. It is really appreciated when you take time out of a busy showing schedule to include stewarding or performing other trial duties in your day. Many clubs have abandoned holding trials with the reason being, "People want to show but not help." Our club has some very giving volunteers, and the judges really appreciate your efforts.

Ginger Kinion  
Chief Ring Steward

Greetings club members, once again NCOTC has put on an OUTSTANDING Regional!!! Everything ran like clockwork and I had many positive comments from exhibitors and judges alike. I want to thank everyone who gave their time to help, we had plenty of help with set up, stewards and all the little jobs that needed doing. I want to give an extra HUGE thank you to my show committee, Nancy Lincoln, Carol Carter, Ginger Kinion, and Darlene Cutshall. B.J. Arnold for getting all the donuts, coffee, etc. Karen Fuss for handling the set up (even with her husband in the hospital) and Loretta Krisher for pampering our judges. They all had great praise for how you took care of them. I hope I didn't forget anyone, if I did my apologies. This club makes my job as trial chairman very easy because everyone pitches in and doesn't just sit back and let someone else do the work. See you in January!!

Tim Cutshall  
Trial Chairman
