Hopefully the weather has broken by the time you read the latest On Lead. I know there have been many alerts as to the care of our furry friends. Thank heaven I have not seen any abuse in the area. Appreciate the alerts and reminders the media sends out and all of us as responsible owners who share the alerts and watch for abuse and animals in distress.

Sorry I could not attend the Show and Go, heard it was a success. Several dogs called my Treasure and Titus saying they missed them and were so happy to compete and have positive comments made about their owners and their performance.

One comment they made was they thought a few more volunteers would have helped. Please volunteer when attending our events. You will always have enough time to warm your dog up and it helps to make things run more smoothly and in a Show & Go, you get one free run, such a deal!

Our summer training classes have finished and I've heard many very positive comments. Thank you to all the trainers and assistant trainers. The Fall training schedule is out so please talk up our classes. Maybe consider volunteering to be a trainer or assistant trainer. There are weekly syllabi's available so you don't have to re-invent the wheel.

Hopefully we will all enjoy the cooler weather.

CONGRATULATIONS TO OUR MEMBERS SHOWING AT JCKC TRIAL AUGUST 12-14, 2018

2017 FIRST & FOREMOST RATING SYSTEM FROM FRONT AND FINISH

Republished with permission of Front & Finish, The dog trainer's News <http://www.frontandfinish.com>

The *First & Foremost*® Rating System ranks dogs in AKC obedience competition that earn qualifying scores of 170 or more points in Open and Utility classes during a given competition year. Points are awarded based on the dog's score according to the following table of qualifying scores. This table helps to account for variances in scores awarded by different judges. Points earned by each team are tallied across the competition year and then dogs are ranked into position. Ratings published by Front & Finish® list the top ten dogs ranking highest across all breeds (Top Ten All Breed), the top ten dogs ranking highest within their respective groups (Top Ten By Group), and the top ten dogs ranking highest by breed (Top Ten By Breed). All dogs tying for a given position are listed. Dogs must earn a combined total of eight points or more to be listed.
